## NEWSLETTER – DECEMBER/JANUARY 2020

### *Merry Christmas & Happy New Year*

### **Notes from the President: Hello Everyone!!!**

A medical update on my left thumb and a lesion on my back. On September 12<sup>th</sup> I had surgery on my left thumb to remove a mass growing out of my thumb nail the size of a shooter marble. The mass was sent for pathology and it came back as a Squamous Cell Carcinoma. The mass on my back came back positive for a Basal Cell Carcinoma. On October 29<sup>th</sup> I had surgery to amputate the top portion of my thumb down to the first knuckle, removal of the tumors margin, and removal of a lymph node from my armpit. On November 7<sup>th</sup> I went back to the doctors to have the stitches removed and to review the pathology report. I received great news. The margin cut and the lymph node came back negative. I was released by the Surgeon and will return to the Dermatologist to have the Squamous cell Carcinoma removed. Thanks for your prayers.

We recently lost three key members of the club. The members were Glen Makara, Gene Roberts and Steve Corbin. We lost Glen Makara in August and will dedicate the 34<sup>th</sup> Stony Creek Clean Up on March 21<sup>st</sup> to his memory. We lost Gene Roberts in September and will dedicate the two Kiddie Pools which will be used at the 24<sup>th</sup> Trout Derby on April 24 & 25 to his memory. Lastly, we lost Steve Corbin in October and will dedicate the Fish Cleaning Station at the 24<sup>th</sup> Trout Derby to his memory.
