Stony Creek Anglers

NEWSLETTER - September/October

Happy Labor Day

Notes from the President: Hello *Everyone!!!*

We hope you had a good vacation this summer whether you were in the mountains, the beach, other states or even other countries. Our 6 work party weekends in June, July and August were extremely productive and I wanted to take this opportunity to thank all who participated.

A major repair to the plumbing in well house 4, our back up water supply, was necessary due to the cold this past winter. The repairs included; removal of a large tree, and the excavation of a large hole to expose the pipes as well as the replacement of valves and the associated plumbing inside the well house.

The raceway was power washed and given a coat of epoxy paint. We also repainted the outside of the raceway with sand containing paint, repaired the pen covers, replaced the wooden crossovers, replaced the air stones, replaced the automated feeders, repainted the stocking trailer, and resealed the decking of the trailer.

In addition, well houses 4 and 6, the garage, salt shed, aeration shed and club house were cleaned. The automated emergency call system was upgraded, tree limbs were removed around the nursery and the pot holes filled with stones. All 65 fishing rods and reels for the children's activities were cleaned and reworked.

We are also pleased to welcome John Sauer as our new Assistant Trout Nursery Manager.

I hope to see some new & familiar faces at our general meeting on Tuesday 8 September, 2015 at 7:30PM at the Norristown Maenner-Chor Club; 920 Haws Ave. Norristown, Pa.

Charles J. Wood

President - Stony Creek Anglers
